July 31 2017

CURRICULUM VITAE

JESSICA C. JONES-SMITH

ADDRESS
University of Washington
305-G Raitt Hall
Box 353410
Phone: 206-685-4579
Email: jjoness@uw.edu

EDUCATION

Loyola University Chicago, B.S., Food and Nutrition, *magna cum laude, 1999*

University of California, Berkeley, MPH, Public Health Nutrition, 2007

University of North Carolina, Chapel Hill, Ph.D., Nutrition Epidemiology, 2010

Postdoctoral Training
University of California, San Francisco & University of California, Berkeley, Postdoctoral Fellowship, 2010-2012

LICENSURE

Registered Dietitian, 2000

PROFESSIONAL POSITIONS

Associate Professor, The University of Washington School of Public Health, Department of Health Services, 2016-Present.

Core Faculty, The University of Washington School of Public Health, Nutrition Sciences Program, 2016-Present.

Assistant Professor, Johns Hopkins University Bloomberg School of Public Health, Department of International Health, Division of Human Nutrition, 2012-2016.

Director of the Education and Training Program, Johns Hopkins Global Obesity Prevention Center, 2015-2016.

Core Faculty, Johns Hopkins Global Obesity Prevention Center, 2014-2016.

Associate, Hopkins Population Center, 2012-1016.

Postdoctoral Scholar, University of California, San Francisco & UC Berkeley, 2010-2012.

Pre-doctoral trainee, The University of North Carolina at Chapel Hill, Carolina Population Center, 2008-2010

Graduate Student Researcher, The University of North Carolina at Chapel Hill, 2007-2008.

Graduate Student Researcher, The University of California, Berkeley, 2006-2007.

Intern, Mexican National Institute of Public Health, Cuernavaca, Mexico, 8/2006.

Clinical Dietitian, The University of California San Francisco Medical Center, 2000-2005.

HONORS, AWARDS, SCHOLARSHIPS

Advising, Teaching, and Mentoring Recognition Award, 2015-16

Advising, Teaching, and Mentoring Recognition Award, 2014-15

Recognition for Outstanding Teaching at JHSPH (Obesity in Public Health course), 2015-16

Recognition for Outstanding Teaching at JHSPH (Obesity in Public Health course), 2014-15

Advising, Teaching, and Mentoring Recognition Award Nominee, 2013-2014

NIH Loan Repayment Award. Center for Minority Health and Health Disparities, 2011-13.

Carolina Population Center Predoctoral Traineeship, 8/2008-8/2010.

Nutrition Department National Institutes of Health Trainee, 2008 (awarded but declined).

Graduate School Merit Assistantship Award, University of North Carolina Chapel Hill, 2007-8.

Presidential Scholarship, Loyola University Chicago, 1997-1999.

Damen Scholarship, Loyola University Chicago, 1995-1997.

PROFESSIONAL ACTIVITIES

Professional Society Leadership
Treasurer/Secretary, The Epidemiology and Population Health Section of The Obesity Society, present-2018.

Annual Meeting Planning Committee, The Obesity Society, upcoming Nov 2016-2018.

Editorial Board
Journal of the Academy of Nutrition and Dietetics, 2013-present

Peer Reviewer
JAMA; BMJ; International Journal of Epidemiology; American Journal of Epidemiology; Social Science & Medicine; Circulation, JAMA Pediatrics, International Journal of Obesity; Population Development Review; Journal of Health and Place; BMC Public Health; American Journal of Human Biology; Economics and Human Biology, PLOS One; Public Health Nutrition; Journal of

Hunger and Environmental Nutrition; Global Health: Science and Practice; Social Science Research; Journal of Nutrition; BMC Medicine.

Ad hoc Review of Grant Proposals
CDC Special Emphasis Panel, Pregnancy Risk Assessment Monitoring System (PRAMS)

William T Grant Foundation Major Awards

Johns Hopkins Global Obesity Prevention Center Pilot Grant Applications

Professional Society Memberships
American Society for Nutrition, 2006-Present
Population Association of America, 2009-Present
Society for Epidemiologic Research, 2009-Present
The Obesity Society, 2013-Present

BIBLIOGRAPHY (in chronological order)

Refereed Research Articles

1. Neufeld LM, **Jones-Smith JC**, Garcia R, Fernald LCH. Anthropometric predictors for the risk of chronic disease in non-diabetic, non-hypertensive young Mexican women. *Public Health Nutrition*. 2007; 2:1-9.

2. **Jones-Smith JC**, Fernald LCH, Neufeld LM. Birth size and accelerated growth during infancy are associated with increased odds of childhood overweight in Mexican children. *Journal of the American Dietetic Association.* 2007;107(12):2061-9

3. Fernald LCH, **Jones-Smith JC**, Ozer EJ, Neufeld LM, DiGirolamo AM. Maternal depressive symptoms and physical activity in very low-income children. *Journal of Developmental and Behavioral Pediatrics*. 2008;29(5):385-93.

4. **Jones-Smith JC** and Popkin BM. Understanding Community Context and Adult Health Changes in China: Development of an Urbanicity Scale. *Social Science & Medicine*. 2010;71(8):1436-46

5. Miller BW, Breckheimer I, McCleary AL, Guzmán-Ramirez L, Caplow SC, **Jones-Smith JC**, Walsh SJ. Using Stylized Agent-Based Models for Population-Environment Research: a Case Study from the Galápagos Islands. *Population and Environment.* 2010;31(6):401-426.

6. Gustafson AA, Sharkey J, Samuel-Hodge CD, **Jones-Smith JC**, Cai J, Ammerman AS. Perceived and Objective Measures of the Food Store Environment and the Association with Weight and Diet among Low-Income Women in North Carolina. *Public Health Nutrition*. 2011;14(6):1032-8.

7. **Jones-Smith JC**, Gordon-Larsen P, Siddiqi A, Popkin BM. Country-level correlates of time trends in overweight inequality by socioeconomic status using repeated cross-sectional surveys from 37 developing countries (1991-2007). *American Journal of Epidemiology*. 2011;173(6): 667-675

8. Gustafson AA, Sharkey J, Samuel-Hodge CD, **Jones-Smith JC**, Cai J, Ammerman AS. Food store environment modifies intervention effect on fruit and vegetable intake among low-income women in North Carolina*. The Journal of Nutrition and Metabolism* 2012; doi:10.1155/2012/932653.

9. **Jones-Smith JC**, Gordon-Larsen P, Siddiqi A, Popkin BM. Emerging disparities in overweight by educational attainment in Chinese Adults (1989-2006). *International Journal of Obesity*. 2012; 36(6):866-75.

10. **Jones-Smith JC**, Gordon-Larsen P, Siddiqi A, Popkin BM. Is the burden of overweight shifting to the poor across the globe? Time trends among women in 39 low- and middle-income countries (1991-2008). *International Journal of Obesity.* 2012; 36(8):1114-20.

11. **Jones-Smith JC,** Neufeld LM, Laraia B, Ramakrishnan U, Garcia-Guerra A, Fernald LCH. Early life growth trajectories and later childhood obesity. *Nutrition & Diabetes*. 2013;3: e60

12. **Jones-Smith JC**, Karter AJ, Warton EM, Kelly M, Kersten E, Moffet HH, Adler N, Schillinger D, Laraia BA. Obesity and the food environment: income and ethnicity differences among people with diabetes, the Diabetes Study of Northern California (DISTANCE). *Diabetes Care* 2013 Sep;36(9):2697-705. doi: 10.2337/dc12-2190.

13. **Jones-Smith JC**, Dow WH, Chichlowska K. Association between casino opening or expansion and risk of childhood overweight and obesity. *JAMA*. 2014; 311.9: 929-936.
    +was accompanied by a JAMA editorial and received widespread media coverage including NPR, Reuters, Indian Country Today*.*

14. Kharmats AY, **Jones-Smith JC**, Cheah YS, Budd N, Flamm L, Cuccia A, Mui Y, Trude A and Gittelsohn J. Relationship between the SNAP Cycle and dietary quality among low-income African Americans in Baltimore, Maryland. *American Journal of Clinical Nutrition*. 2014; 99(5); 1006-1014.

2. Johnson KA, **Jones-Smith, JC**, Curriero F, Cheskin L, Benjamin-Neelon S, Thornton RJ. Low-income black and Hispanic children's neighborhood food environments and weight trajectories in early childhood. (Under review (7/23/2016): *Childhood Obesity*)

FUNDING HISTORY

Funded Projects

Title: Increasing economic resources and obesity: A quasi-experimental study.

National Institutes of Health, Eunice Kennedy Shriver National Institute of Child Health and Human Development R00 HD073327 (12/8/2013-10/31/2016)
Principal Investigator: Jessica Jones-Smith; Award: $731,992, 58% effort

Title: Evaluation of Voices for Health Kids Initiative
Robert Wood Johnson Foundation (09/1/16 – 08/31/17)
Principal Investigator: Lainie Ruktow & Sara Bleich; $305,000
Role: Co-Investigator, 30% effort

King County Sodium Reduction Partnership- Sodium reduction in high-need school districts and emergency food system.
Centers for Disease Control and Prevention-Pass Through Public Health Seattle & King County (9/30/16-9/29/21)
Principal Investigator: Mariel Torres Mehdipour
PI on subcontract to UW: Jesse-Jones Smith, 5% effort

Previously Funded Projects

Title: Johns Hopkins Pediatric Obesity Research and Training Grant
National Institutes of Health, Eunice Kennedy Shriver National Institute of Child Health and Human Development and OBSSR U54HD070725 (10/22/2011 – 12/31/2016)
Principal Investigator: Bruce Lee, 3,185,827
Role: Co-Investigator, 5%

Title: Evaluation of Voices for Healthy Kids Initiative
Robert Wood Johnson Foundation (06/14/14 – 06/15/16)
Principal Investigator: Sara Bleich; $610,000
Role: Co-Investigator, 30% effort

Title: Increasing economic resources and weight-related health: A quasi-experimental study.
National Institutes of Health, Eunice Kennedy Shriver National Institute of Child Health and Human Development K99 HD073327 (9/1/2012 – 12/8/2013)
Principal Investigator: Jessica Jones-Smith; Award: $272,000, 62% effort

Title: The effects of increasing economic resources on obesity: A quasi-experimental study.
UCSF Health Disparities Working Group & Robert Wood Johnson Foundation (12/1/2011 – 12/31/2012).
Principal Investigator: Jessica Jones-Smith; Award: $6,722

Title: The foods in my neighborhood study: Can supermarkets in low-income neighborhoods improve dietary intake?
Berkeley Population Center (NICHD R21HD056581) (3/1/2012 – 3/1/2013)
Principal Investigator: Barbara Laraia & Jessica Jones-Smith; Award: $9,300

Title: Using SITAR (Super-Imposition by Translation And Rotation) methods to analyze children's longitudinal growth trajectories in two unique datasets.
Berkeley Population Center Pilot Fund Grant (NICHD R21HD056581) (1/2011 - 12/2011)
Principal Investigator: Lia Fernald. (Role: Co-Investigator); Award: $13,000

Pending Applications

Title: BEGIN Study: Better Early Growth in low INcome children to reduce disparities in obesity
National Institutes of Health, National Institute of Diabetes and Digestive and Kidney Diseases (1/1/2017-12/31/2022).
Principal Investigator: Janne Boone-Heinonen
Role: Co-Investigator, 10% effort

Title: Evaluation of Seattle's Sugary Beverage Tax
City of Seattle (Sept 1 2017 – Dec 31 2021)
Principal Investigator: Jessica Jones-Smith & Nadine Chan
Role: Principal Investigator, 20%

Title: Evaluating the Impact of Seattle's Sugary Beverage Tax on Health Outcomes, Consumption and Purchasing
National Institutes of Health, National Cancer Institute
Principal Investigator: Sara Bleich & Christina Roberto
Role: Co-Investigator, 10%

Title: Impact of changing restaurant menus on population obesity and disparities
Robert Wood Johnson Foundation
Principal Investigator: Sara Bleich
Role: Co-Investigator: 10%

CONFERENCES AND SYMPOSIUMS

Scientific Meetings

Mui Y, Gittelsohn J, **Jones-Smith JC**. The longitudinal association between change in neighborhood crime and change in neighborhood food swamps. [Poster presentation by preceptee]. ObesityWeek November 4 2016.
+1st place winner in the Epidemiology and Population Health Poster Contest

Antiporta DP**, Jones-Smith JC**. Is acculturation a moderator of the association between poverty and obesity among Hispanic Americans in the early years of life? [Poster presentation by preceptee]. Epidemiology Congress of the Americas. June 22 2016.

Oddo VM, Bleich SN, Surkan P, **Jones-Smith JC**. Association between maternal employment and overweight among 38 low- and middle income countries. [Poster presentation by preceptee]. Epidemiology Congress of the Americas. June 22 2016.

Kodish S, Gittelsohn J, Oddo VM, **Jones-Smith JC.** Impact of casinos on key dimensions of health and wellness*:* qualitative findings from American Indian gaming communities in California. Experimental Biology. [Poster presentation by preceptee] April 4 2016.

Ye S*, Antiporta, D*, Kodish S, Oddo VM*, Jock B, Chodur G*, **Jones-Smith JC**. Food environments near Native American reservations Experimental Biology. [Poster Presentation by preceptee]. April 4 2016.
+Finalist in Emerging Leaders in Nutrition, Community Health Section

Chodur G*, Ye S*, Antiporta, D*, Kodish S, Oddo VM*, Jock B, **Jones-Smith JC**. The perceived food environments surrounding Native American tribal lands in California: Tribal member perspectives. Experimental Biology. [Poster Presentation by preceptee]. April 4 2016.

Oddo VM*, Kodish S, Chodur G*, Ye S*, Antiporta, D*, Jock B, **Jones-Smith JC**. Understanding Factors Influencing Food Choices on Native American Lands. Experimental Biology. [Poster Presentation by preceptee]. April 4 2016.

Oddo V*, Nicholas L, Bleich S, and **Jones-Smith JC**. Associations between the Great Recession and children's body mass index. ObesityWeek.[Poster presentation by preceptee] Nov 2015.

+1st place winner of "People's Choice" award in Epidemiology Section poster contest

Jones-Smith JC, Dow WH, Oddo V*. The Association between Increased Economic Resources and Birth Weight Among Native Americans in California: A Natural Experiment. Experimental Biology. [Poster presentation]. March 31 2015

Oddo V, Nicolas LH, **Jones-Smith JC**. The Great Recession is associated with increased risk of overweight and obesity among California adolescents. Experimental Biology. [Poster presentation by preceptee]. March 31 2015

Oddo V and **Jones-Smith JC**. Gains in income during early childhood are associated with decreases in body mass index z-scores among children in the United States. ObesityWeek 2014. [Poster Presentation by preceptee]. November 3 2014

+1st place winner of Epidemiology Section Poster Contest

Jones-Smith JC. Economic resources and risk of childhood overweight/obesity. Experimental Biology Annual Meeting [Oral Presentation]. April 29 2014

Jones-Smith JC. Disparities in childhood BMI trajectories by socioeconomic status: Early Childhood Longitudinal Study-Birth Cohort. Society for Epidemiologic Research Annual Meeting [Poster Presentation]. June 23 2013.

Jones-Smith JC, Neufeld LM, Laraia B, Fernald LCH. Early life growth trajectories and future risk of overweight. Experimental Biology Annual Meeting [Oral Presentation] April 22 2012.

Jones-Smith JC, Laraia B. Neighborhood density of healthy food vendors and obesity prevalence among adults with diabetes from the Diabetes Study of Northern California (DISTANCE) survey. 3rd North American Congress of Epidemiology. [Poster Presentation] June 22nd 2011.

Jones-Smith JC, Popkin BM. Economic development, urbanicity and health changes in China. Annual Meeting of the Population Association of America. [Oral Presentation] May 1st 2009.

Jones-Smith JC, Adair L, Popkin BM. Are food prices a way to change the diet of Chinese poor: shifts over time for the poor and the rich. [Poster Presentation] Experimental Biology Meeting.

Jones-Smith JC, Neufeld LM, Garcia R, Fernald LCH. Waist circumference and body mass index outperform other anthropometric measures in predicting pre-diabetes and pre-hypertension in young Mexican women. [Poster Presentation] Experimental Biology.

Symposiums

Symposium Co-Chair. And the rich get richer… Are our obesity reduction efforts increasing health disparities? (With Bill Dietz). The Obesity Society Annual Meeting Nov 2 2016 (upcoming).

Abstract Session Co-Chair. Obesity in refugee and lower income country populations. (With Elizabeth Widen). The Obesity Society Annual Meeting Nov 3 2016 (upcoming).

Scientific Session Co-Chair. Money Talks: How Business and Economic Policies Can Reduce Obesity. (With Shu Wen Ng). The Obesity Society Annual Meeting. November 3rd 2014.

Symposium Co-chair. Neighborhood effects on obesity and physical activity: novel study designs for hard-to-study questions. (With Whitney Robinson). Society for Epidemiologic Research Annual Meeting June 24th 2010.

Session Chair, Oral Presentations. Biomarkers, BMI and Socioeconomic Differentials in Health. Annual Meeting of the Population Association of America 2009.

INVITED SEMINARS

*January 17 2012. McGill University. Institute for Health and Social Policy. One-hour seminar. "Socioeconomic Status and Overweight: Examining Relationships across Time and Place."

*February 8 2012. University of California, Davis. Program in International and Community Nutrition. One-hour seminar. "Socioeconomic Status and Overweight: Examining Relationships across Time and Place."

*May 8, 2012. University of California, Los Angeles. Community Health Sciences. "Socioeconomic Status and Overweight: Examining Relationships across Time and Place."

*July 26 2013. Johns Hopkins Institute for Tropical Medicine. "Obesity and socioeconomic status in low- and middle-income countries"

*April 7 2013. Johns Hopkins Bloomberg School of Public Health, Division of Human Nutrition. "Increased economic resources and childhood obesity: A quasi-experimental study"

*March 27 2014. Johns Hopkins Bloomberg School of Public Health, Division of Human Nutrition. "Socioeconomic status and overweight among women in low-income countries."

*March 29 2014. Boston, Mass. Tufts University. Keynote Speaker. Future of Food Conference. "The Global Nutrition Transition and Changing Relationships between Socioeconomic Status and Overweight."

*June 11 2014. Johns Hopkins Bloomberg School of Public Health, Center for American Indian Health. "Increased economic resources stemming from Native American-owned casinos and risk for childhood overweight/obesity."

*July 15 2014. JHSPH Summer Institute (Center for American Indian Health), Introduction to Quantitative and Qualitative Research Methods. “Case Study: Economic resources from Native American casinos and childhood overweight/obesity.”

*July 25 2014. Johns Hopkins Institute for Tropical Medicine Summer Institute: Chronic Disease in Low and Middle Income Countries. “The Global Obesity Epidemic: Prevalence, Consequences, Causes.”

*July 25 2014. Johns Hopkins Institute for Tropical Medicine: Chronic Disease in Low and Middle Income Countries. “Longitudinal Trends in Overweight and Obesity in LMIC: Is the burden shifting toward the poor?”

*September 3 2014. Johns Hopkins Welch Center Grand Rounds. Increased Economic Resources Stemming from Native American-Owned Casinos and Risk for Childhood Overweight.”

*July 11 2015. Johns Hopkins Bloomberg School of Public Health Nutrition Seminar. “Sampling and Accessing Publically Available Data for Native Americans.”

*July 23 2015. Johns Hopkins Institute for Tropical Medicine Summer Institute: Chronic Disease in Low and Middle Income Countries. “The Global Obesity Epidemic: Prevalence, Consequences, Causes.”

*July 23 2015. Johns Hopkins Institute for Tropical Medicine: Chronic Disease in Low and Middle Income Countries. “The Nutrition Transition in low- and middle-income countries.”

*September 15 2015. University of Alabama, Birmingham. Nutrition Research Obesity Center. “Economic Resources and Weight-Related Health Among Native American Women and Children”

*November 3 2016. University of Washington Department of Epidemiology Seminar. “Economic resources and childhood obesity”
